Six projects for repair and renovation of schools taken

NETRAKONA, Apr 2: Under the annual development programme of the government, the local government and engineering development Netrakona has taken up six projects for repair and renovation of four high schools and two junior high schools in Netrakona sadar thana in the current financial year, reports BSS.

An official source said, the government sanctioned Taka 4,40,000 for implementation of the projects.

The four high schools and two junior high schools are Kunia Fazarannesa High School, Madanpur Shah Sultan High School, Barawari High School, Birampur Hazi Fayezuddin High School, Bashati Milon Junior High School and Charpara Junior High School.

Works on these projects would be completed by the end of June, official source said.

FIRE INCIDENTS INCREASING

A UNB report: Huge quantity of property is destroyed every year by fire in the ten thanas of the district, local leaders alleged.

They said, dwelling houses and property cannot be protected timely from the fire as there is only one fire station in the district headquarters. In most cases, fire fighters cannot reach the spot timely due to bad condition of roads in the district town also.
