

KUET admission tests begin on October 28

**Bangladesh Sangbad
Sangstha** · Khulna

THE admission test for the first year BSC (Engineering) and Bachelor of Urban and Regional Planning courses in Khulna University of Engineering and Technology (KUET) under 2016-17 academic session will be held on October 28.

KUET sources said a total of 12,717 admission seekers have finally selected for 1,005 seats in 14 departments

under BSC Engineering and BRUP courses. At least 13 aspirants will vie for a seat in the first year honours courses in KUET, they said.

Three new departments will launch for the 2016 - 2017 academic year where more 130 students to get opportunities for admission this year.

The admission test will be held from 9:30am to 12:00pm at seven centres. The centres are KUET campus, KUET High School, Teachers Training College, Higher Secondary Teachers Training Institute, Govt Laboratory High School, Boys Technical Training Centre and Girls Technical Training Centre.

Talking to BSS, KUET vice-chancellor Professor Dr Mohammed Alamgir, said, 'We have taken brisk preparations to hold the examination in a fair manner while close circuit television cameras have been installed in all the centres to check any irregularity during the examinations.'

Detailed information regarding the admission test including the examination seat plan, examination results is available on the KUET website (admission@kuet.ac.bd), he said. ||
