

## // BUET application process goes online from Sept 15

**Staff Correspondent**

THE online application process for the undergraduate courses at Bangladesh University of Engineering Technology for 2016-2017 academic sessions will be started from September 15.

The admission seekers are asked to visit the university website [www.buet.ac.bd](http://www.buet.ac.bd) and apply within September 24, said a press release issued on Sunday.

This year applicants will have to pay Tk 600 as the fees for admission forms of engineering, urban and regional planning faculties.

Applicants for the department of architecture and other faculties have to pay Tk 700 as the admission forms fees.

The BUET press release announced that the admission test of all faculties will be held on October 22.
