RUET celebrates founding anniversary

RU Correspondent

TEACHERS, students, officials and staff of the Rajshahi University of Engineering and Technology celebrated the institution's 12th found-

ing anniversary on the campus on Thursday amidst great festivity.

RUET vice-chancellor Professor Md Rafiqul Alam Beg inaugurated the daylong programme in front of the

administrative building in the morning by hoisting the national and university flags and releasing pigeons.

Marking the day, several hundred teachers, students, officials and staff of the uni-

versity brought out a colourful procession, led by the VC, at about 10:00am.

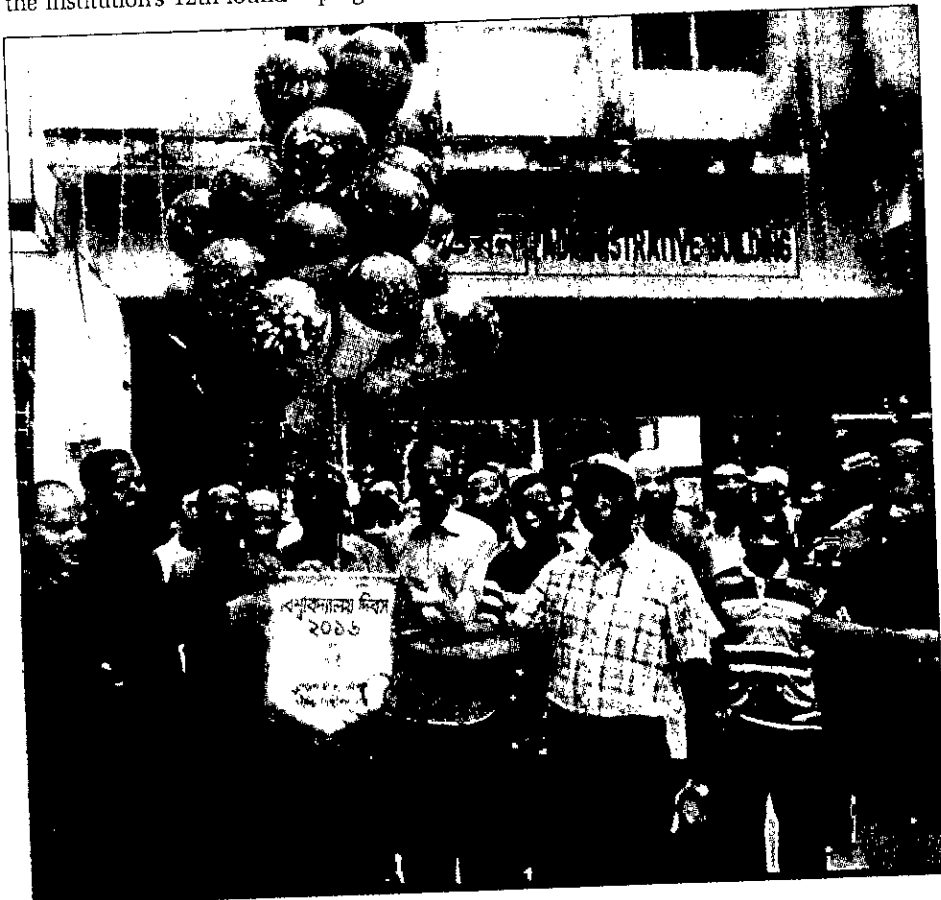

Later, a discussion meeting was held at the university's central auditorium at about 10:30am.

Addressing the programme, RUET VC Rafiqul Alam said that they would establish an extremism-free campus.

He urged the students to play a greater role in engineering sector promoting the spirit of the War of Independence and free thinking.

The university authorities also launched a month-long tree plantation programme to protect the greenery of campus.

Among others, RUET registrar Professor Mosharraf Hosain, Students Welfare Office director Professor NHM Kamruzzaman, and RUET Teachers' Association president Professor Abdul Alim, attended the programme.
