

## SUST student found dead

Staff Correspondent · Sylhet

A STUDENT of the Shahjalal University of Science and Technology was found at his house in Sylhet city on Sunday.

The body was hanging from the ceiling of his room.

The deceased was identified as Bishwajit Mallik, son of Zadab Mallik of village Sonakanda of Shrinagar upazila in Munshiganj; he was a second-year student of forestry and environment science department of the university, the police said.

SUST chemical engineering student Roni told New Age that he and his classmate Tapos lived with Bishwajit at a rented room at Tilagaon in Akhalia area of the city.

Roni said they went out of their house on Saturday afternoon and after returning home at night, they found that the door was closed from inside and informed the police.

Jalalabad police officer-in-charge Akhter Hossain said they recovered the body at about 1:00am being informed by SUST student affair advisor Rashed Talukder.

The body was handed over to the family in the afternoon after completion of the post-mortem examinations at the Sylhet Osmani Medical College Hospital.
