

Encadrement of Govt teachers soon

Encadrement of all teachers under the Ministry of Education into the Bangladesh Civil Service (Education) will be finalised soon, official sources said in Dhaka on Wednesday, reports BSS.

The sources said the total strength of the cadre will be 5853. The encadrement will remove the anomalies so long suffered by the teachers of Government colleges and schools.

It will also lead to creation of vacancies of more than 2000 posts in the BCS education cadre, both in general and technical sides. Recruitment to these will be made immediately (Continued on page 8 Col. 3)

after the finalisation of the encadrement.

Absorption of the teachers of various categories into the BCS cadre will help the educational institutions in strengthening their teaching capability and improving standard of education in the country, the sources said.
