Vocational education stressed

Education Minister Sheikh Shahidul Islam said in Dhaka on Wednesday that the government was determined to expand the vocational education instead of traditional one, reports BSS.

The Minister was addressing a rally of students and teachers of Bangladesh Institute of Glass and Ceramics (BIGC).

The Minister said the government had taken up a Taka 1.22 crore plan for the development of BIGC.

The Minister called upon the students to acquire vocational knowledge for solving unemployment problems.

The rally was presided over by the Principal of the Institute Mr Badruddin Ahmed.
