Education to be vocation oriented

DAULATPUR (Kushtia), Jan. 28:—Prime Minister Shah Azizur Rahman said here today that the present government gave special emphasis on vocational education and training, reports B.S.

The Prime Minister visited the site of the construction of the Vocational Institute at Hasnabad, here. He also addressed a cross section of people.

Shah Aziz said students and trainees who would pass out from this Institute would be gainfully employed at home and abroad. He said education as a whole has now to be vocation oriented. In due course this Institute, he said, (Continued on page 8 col 4)

Education

will be further expanded to suit the needs of the society.

The Prime Minister also visited the re-excavated Hisha Canal, adjacent to the Vocational Institute and discussed with the farmers further extension of irrigation facilities for higher productivity.

Later, he visited several local high schools and exhorted teachers and students to fully participate in the canal digging and the mass literacy program.
