Message

I am indeed very happy to learn that Uttara University is going to hold its 4th Convocation on 05 January 2016. On this auspicious occasion, I would like to extend my heartfelt felicitations to the graduating students, distinguished faculty members, proud guardians and all concerned for their valuable contributions.

The role of universities in human civilization is immensely significant. A modern nation is learned, enlightened and intellectually liberated by the universities. The government of Bangladesh has formulated National Education Policy 2010 and enacted Private University Act 2010, in order to ensure the quality of education from primary to tertiary level with a view to making a knowledge-based society. I believe universities, both private and public, would devote themselves in building an educated and affluent nation. It is true for Bangladesh that only public universities cannot provide the opportunity of higher studies for the large number of students each year. That's why private universities have a chance to prove their worth in the field of higher education.

Convocation formally acknowledges the achievements of the graduating students and at the same time it bestows responsibilities upon them. I hope that the graduating students of Uttara University would serve the nation imbued with the spirit of patriotism and dedication.

I wish the 4th Convocation of Uttara University a grand success.

Khoda Hafez, May Bangladesh Live Forever.

Message

It is a matter of pleasure to learn that the 4th Convocation of Uttara University is going to be held on 05 January 2016.

On this occasion, I heartily congratulate the new graduates, their teachers, guardians and the university authorities. From such an event, a graduate derives enthusiasm and spirit in his or her professional and individual career. I hope Uttara University graduates will be able to face the challenges to achieve the goal in their practical life. Thus, the graduates will represent the nation in the global arena through their competitive endeavor and success.

I am really pleased that Uttara University is organizing its highest ceremony where degrees are being conferred to the future builders of the nation through the state's approval. Once again, I would like to congratulate the graduates who are going to devote themselves to the progressive venture of the country by their knowledge and wisdom.

I wish Uttara University and its graduates the greatest success.

Message

It gives me immense pleasure to know that Uttara University is going to celebrate its 4th Convocation on 05 January 2016. On this august moment, I congratulate all the graduates, teachers and guardians.

In any society, the pursuit of education enhances and broadens the intellectual horizons of the citizenry. Higher institutes of learning like the universities help the advancement of new ideas, promote enduring knowledge, assist in inculcation of appropriate moral and ethical values among the students, and sponsor academic excellence and perfection. I am sure Uttara University has been maintaining a high standard in its academic undertakings at an affordable tuition.

I wish the convocation grand success.

Message

I am grateful to the Almighty and immensely pleased to be able to organize the 4th Convocation of Uttara University on 05 January 2016 with the kind permission of the Government and the earnest cooperation of my colleagues and officials including faculties and staff members.

The Convocation is the noblest occasion through which the students achieve their rewards for successful completion of their studies. I believe that the graduating students are prepared to face the challenges of today's dynamic and fast changing world. I hope the students of Uttara University will contribute to the national development through their endeavors.

Since its inception, the university has steadily been progressing by keeping in view the motto of quality education at affordable tuition. In the meantime, we have managed to shift the university to its permanent campus which will hopefully be completed sooner than we expected. For imparting quality education, some concrete steps have already been taken. The university has also arranged a few national and international conferences for wider exposure of the faculties.

Finally, I convey my warmest felicitations to the graduates and thank the guardians for their cooperation. We are a selfless service oriented institution. Let us serve the nation by providing our best effort by Uttara University.

I wish all the students the very best in their future life.
