# Edn. system being recast : PM

Prime Minister Shah Azizur Rahman said in Dacca in Sunday that the Government had introduced a planned education system with a new curriculum and syllabus up to Class VII, reports BSS.

He, however said that the new curriculum and syllabus would be extended up to Class X soon.

The Prime Minister was speaking as chief guest at the annual prize gifting ceremony of the Maghbazar Girls High School at the school premises in Dacca.

Mr Khan-e-Alam Khan Divisional Commissioner of Dacca

also spoke at the function which was presided over by Mrs Masuda Begum, Headmistress of the school.

Shah Aziz emphasised the need for making education job oriented having bearing on the reality of life. He said the education system must suit the requirements of the modern age of science and technology.

The Prime Minister pointed out that the education system was being thoroughly recast at all levels so that it ensured job.

He congratulated the teachers and students of the school for its good results in the last Secondary School Certificate Examination. Later the Prime Minister distributed prizes among the students for their academic performances in the class and also winners of the annual sports.
