

Dhaka Residential Model College students vow to protect environment

Staff Correspondent

THE students of Dhaka Residential Model College have vowed to save environment.

The students took the oath on Thursday at a programme held in observance

of World Environment Day 2016 on the campus. The programme was organised by the college's department of environment in association with the Green Saver and Save the Children.

The function was organised with a view to creating

environmental awareness among students.

Raisul Islam Mondol, director general of department of environment of the college, Ferdous Ara Begum, acting principal of the college, Abul Kalam Azad, convener of School Programme, Ahsan Rony, deputy director, DoE, and Syad Matiul Ahsan, president, Green Saver attended the programme among others
