Edn. loan projects likely soon

Deputy Education Minister Golam Sarwar said in Dhaka on Sunday Government is contemplating to introduce education loan project at university level to increase the education facilities for the poor and meritorious students, reports BSS.

An official handout said the Deputy Minister was talking with the representatives of Bangladesh Uni-

versity Employment Association at Secretariat.

Mr. Sarwar said the Government was planning to introduce multipurpose employment projects like "Bikolpa" to solve different problems of students and employees of university.

Mentioning that the students would refund the money under the education loan project during the time of their service. The Deputy Minister said the students would become self-reliant under compulsion of implementing the project on their own initiative.

The Deputy Minister said the Government had arranged part time jobs for the students through national student parishad and similarly it would ensure the jobs for the meritorious students through university employment association.

Mr. Jahangir Hossain, Convener of the Association also spoke on the occasion.
