Tk 10 cr to be spent  
for multi-storied  
primary schools: Mahbub

Government will undertake a Taka ten crore project during the current financial year for constructing 62 multi-storied primary school buildings in Dhaka, Chittagong, Rajshahi and Khulna cities, reports BSS.

This was stated by Education Minister Mr. Mahbubur Rahman, at the inaugural function of the multi-storied Ideal Primary School building at Ganaktuli here today.

The Minister said the Government would take all possible steps in the coming years for making the primary education more effective. Peace and discipline in the campus were necessary to achieve this desired goal, he added.

He said that examination system would be reformed for its qualitative improvement and those examination centres which had become centres of unfair means would be cancelled.

Mr. Haroonur Rashid M.P. also spoke at the function.
