JU A unit exam held with some inconsistencies in seat plan

JU Correspondent | Updated at 01:24am on October 02, 2018

The admission tests of mathematical and physical sciences faculty (A unit) under 2018-19 session of Jahangirnagar University was held on Monday with some inconsistencies in seat plan.

It was found that Bangla and English version students were placed in the same hall at social science faculty building during the 3rd shift of A unit tests, held from 11:50am to 12.50pm.

Only English version students were supposed to be placed at social sciences building; but after the exam started it was found that 134 students of Bangla Version were there too. Social science faculty dean Professor Rasheda Akhter sent them to the dean office of mathematical and physical sciences faculty to resolve the problem.

Later, they took the exam at mathematical and physical sciences faculty office.

Mathematical and physical sciences faculty dean Professor Ajit Kumar Majumder said 'We are investigating the incident.'
