

## Performance of Viqarun Nisa School lauded

Viqarun Nisa Noon School and College Thursday held a function in its premises to accord reception to those students who had secured outstanding positions in the last SSC examinations of Dhaka Board and also welcome the freshers to the college, reports BSS.

Education Minister Sheikh Shahidul Islam, was chief guest on the occasion, and distributed prizes among the students. Secretary, Ministry of Education, Science and Technology and Chairman of the school governing body ANM Eusuf presided over the function. Mrs Hamida Ali, principal of the college and Baniza Ismat, one of the meritorious students also spoke on the occasion.

Lauding Viqarun Nisa Noon School for its glorious performance in school examinations over the years the education minister expressed the hope that the former students of the school would contribute their mite to different spheres of national life.

The minister said Viqarun Nisa Noon School was a good example of how a privately managed institution could function well. This is an example which others should emulate, he said.

The education minister praised the school authority for running the institution without any financial support from the government.

The minister announced a donation of Taka one lakh to take up development activities of the school.

Principal Hamida Ali said freshers receptions were being held every year, but the speciality of this year's function was that the meritorious students had been honoured and rewarded.

Later the students presented a cultural programme. The function was attended by educationists, teachers and guardians.
