Daffodil univ to hold int'l seminar on Monday

Staff Correspondent

DAFFODIL International University will hold a day long international seminar and research symposium on Monday at its campus, said university officials on Saturday.

A research symposium with the theme 'Sustaining the momentum of global business and trade transformation' and conference of the 19th International Academy of Global Business and Trade and Korea International Trade Research Institute would be held at the university's Kalabagan campus, officials said at a press conference on the day.
