HSC, equivalent exams begin today amid fear of question leaks. Staff Correspondent

THIS year's Higher Secondary Certificate and equivalent examinations will begin across the country today with the authorities making a number of new arrangements, for preventing question leaks, which include closure of coaching centres and fixing the sets of questions 25 minutes before the starting of an exam.

...The students will also have to take seats 30 minutes before the scheduled use of cell phone within 200 metres of the exam centre is banned.

No person will know how many sets of questions are prepared.

1 This year, about 13.11 lakh examinees will take the HSC and its equivalent tests from 8,943 educational institutions.* # . 1

Of them, 10.92 lakh will take HSC exams under eight Continued on page 2 Col. 5

ams.

Continued from page 1 general education boards, 1 lakh will appear for Alim exams under madrassah edu-cation board and 1.17 lakh will sit for HSC vocational exams under technical education board.

General stream students will take Bangla first paper, while madrassah students will take Quran Majid and technical students will sit for Bangla exam on the first

The number of examinees this year has increased by 1.27 lakh from previous year's 11.84 lakh students.

Theoretical exams will continue till May 13, while practical exams will be held between May 14 and 23. Exams of 56 papers on 28 subjects will be held under creative question method this year. 1 1 2006 1
