Old education system must be thoroughly recast

GAFARGAON (Mymensingh) April 1: Education Minister Dr Abdul Majeed Khan said here today that the outdated education system must be thoroughly recast to incorporate the values of character and skill development so that it would come in aid to turn the vast population into a vast manpower, reports BSS.

Dr Khan stressed the need for relating the education in a more integrated way with the socio-economic needs of the time to rehabilitate the education in the society.

Addressing a literary conference which he opened here at the Gafargaon Islamia High School premises the Minister said that the education system must be moulded to make the nation skilled in different crafts so that the efforts for economic emancipation would be geared up.

The education system designed for colonial interest have been sustained till today without any major modification. This he said did not suit the present day's demand of the nation.

The two-day conference, organised by Gafargaon Literary Committee, was also addressed by Dr Ashraf Siddique, Dr Alauddin al-Azad, Dr Khodadad Khan and Prof. Shamsul Alam. At the function Abdus Salam gold medal were given to Sheikh Abdul Jabbar (posthumously), Hasruddin Khan (posthumously) and Sadidullah Master for their contributions in the field of education and literature. The Education Minister announced that Gafargaon High School would be nationalised.
