## Govt to provide computers to non-govt schools

The government will provide one non-government high school in each thana with a computer considering the importance of science and technological, advancement of the country, reports BSS.

This was stated at a meeting of Parliamentary Standing Committee on the Ministry of Science and Technology held at the Jatiya Sangsad yesterday, an official press release said.

The committee members discussed in detail the progress in the implementation of all projects as well as the overall activities of the Bangladesh Atomic Energy Commission.

Besides, the issue of Bangladesh's participation in the World Science Conference in Budapest next month came up for discussion in the meeting.
