## For a fair Ducsu re-election

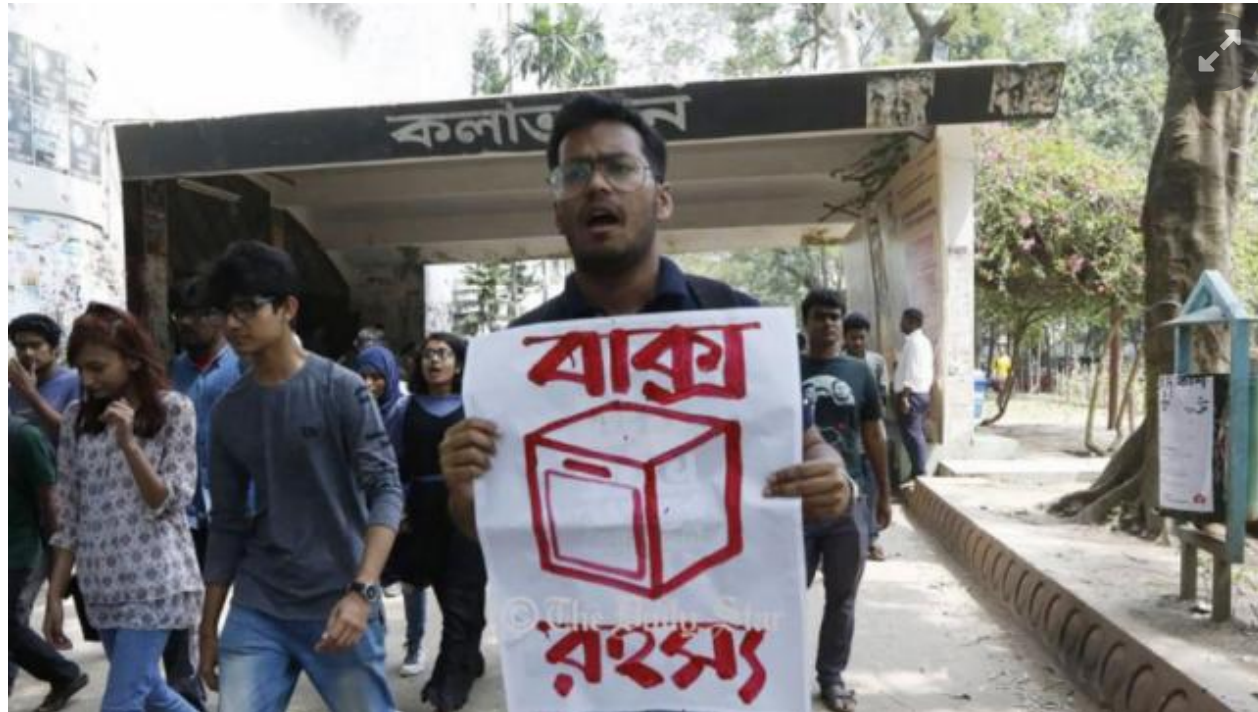

PHOTO: PALASH KHAN

As voters of Ducsu, we had high hopes that we would be able to cast our votes peacefully. Everyone was excited. We thought that unlike the national election, Ducsu would be fair and set an example. But we were totally wrong. The non-resident students of the university were especially helpless because of the dominance of the student body of the ruling party. We could not cast our votes properly. A Ducsu committee formed through such an unfair election will not be able to serve the students. We demand a fair re-election.
