Daffodil International University's official Youtube channel was ranked 77th in the uniRankYouTube University Ranking 2019.

Unirank, an international higher education directory and search engine featuring reviews and rankings of over 13,600 recognised universities and colleges in 200 countries, declared the rankings on Saturday, said a DIU press release on Monday.

This result was made on the basis of the popularity of the Youtube channel in the university itself.

DIU was the only university from Bangladesh to grab the position, the release said.

Besides, it was the only university in the country to have positions recognised by the three most

renowned global university rankings such as Times Higher Education, QS Rankings and UI GreenMetric Rankings, the release mentioned.
