### Seminar on primary education begins at Mymensingh

BAU Correspondent

MYMENSINGH, May 15 : A four-day national seminar on contemporary problems of primary education in Bangladesh began at the National Academy for Primary Education here today.

The objective of the seminar is to identify the problems that stand in the way of bringing about qualitative improvement in primary education in the country.

A total of 67 educationists and officials are participating in the seminar which was inaugurated by Prof M Anwar Hossain, Director of the Academy.
