Workshop on university rankings held at NSU

City Desk

North South University (NSU) in collaboration with Times Higher Education (THE) jointly organised a workshop on "The Data Masterclass - World University Rankings" at the university's campus in Bashundhara on Thursday, said a press release.

Main objectives of the workshop were to promote the understanding and implementation of THE - World University Rankings and create competition among educational institutions in Bangladesh and

abroad.

Benajir Ahmed, chairperson of the university's board of trustees, was chief guest at the event. Ritin Malhotra, regional director (South Asia) ofTHE - World University Rankings, was present as the keynote speaker. Prof Atiqul Islam, vice chancellor of NSU, chaired the session.

Representatives from over 35 public and private universities, including 10 vice chancellors, partook in the session.
