

Upgrading of Eden College to women varsity under study

Upgradation of Eden University College into a full-fledged Women University is under special consideration of the government, Education Minister Jamiruddin Sircar told the Jatiya Sangsad on Monday, says BSS.

Replying to a private member's resolution moved by K.J. Hamida Khanum, the Education Minister described the Eden College as one of the best colleges in the country with good performance in terms of results.

Earlier moving the resolution, Mrs. Hamida Khanum lauded the role of the present government in expanding education facilities in the country and demanded that the Eden University College be turned into a Women University.

The Education Minister gave a brief resume of the development activities taken by the present government for the advancement of education sector in the country.

He assured the House that in case of taking decision for the establishment of a Women University in the country, the government would turn the Eden College into a Women University under special consideration.

The resolution was however, withdrawn by the member on the assurance of the Minister.
