A day-long training workshop on 'helping to create new entrepreneurs' was organised at Sheikh Kamal IT Business Incubator at Chittagong University of Engineering and Technology in Chattogram on Sunday.

CUET vice-chancellor professor Mohammad Rafiqul Alam inaugurated the workshop as chief guest at the conference room of the incubator at 11:00am while Sheikh Kamal IT Business Incubator director and Faculty of Electrical and Computer Engineering dean Mohammad Mashiul Haque presided over the event, said a press release.

Economic Research Group representative and North South University's Department of Electrical and Computer Engineering professor Md Md Rokonuzzaman and Bangladesh Hi-Tech Park project director Abul Fatah Md Baligur Rahman spoke at the workshop, among others.

Around 70 representatives of various startup companies of Chattogram city participated at the day-long workshop.
