Bangladesh University of Engineering and Technology vice-chancellor Satya Prasad Majumder with other professors visit an admission test centre on the campus in Dhaka on Saturday. — Press release

The Bangladesh University of Engineering and Technology's main admission test for admission to the graduate class in the 2021-2022 academic year was held on Saturday on the university campus.

The admission test was conducted in written form in two shifts. Module-A was held from 10:00am to 12:00noon and Module-B was held from 2:00pm to 3:30pm.

A total of 6,088 students were selected to participate in the main admission test according to the merit order of pre-selection test results. Of them, 4,632 were male students and 1,456 were female students.

Selected students will be admitted to 12 departments.

Most of the candidates were present in the main admission test.

The last date for publishing the list of selected and waiting candidates for admission is July 6, 2022.
