A seminar on "Career Prospects for Finance Graduates" to make students aware of the potentiality of the finance sector in Bangladesh was held at the University of Asia Pacific today (August 20, 2022).

UAP Dean, School of Business Dr M A Baqui Khalily inaugurated the programme which the university's Club of Finance & Accounting organised, according to a press release.

Ali Imam, CFA, MD and CEO of EDGE Asset Management was the keynote speaker at the event.

He shared his experience and provided guidelines to the students who want to serve the financial sector in future. The session helped and motivated students toward investment and career planning in finance, said the release.

Ali, also the acting treasurer of the CFA Society Bangladesh board told the students about the CFA programme and how should they prepare for it themselves.

Later, UAP Business department Head Dr Mahbubul Haque provided the vote of thanks to the keynote speaker.
