Chittagong University of Engineering and Technology and Berger Paints Bangladesh Limited officials exchange documents after signing an MoU on the campus on Tuesday. — Press release

The Department of Civil Engineering of the Chittagong University of Engineering and Technology and Berger Paints Bangladesh Limited signed a memorandum of understanding on Tuesday.

CUET registrar (additional charge) Sheikh Mohammad Humayun Kabir and Berger Paints managing director Rupali Haque Chowdhury signed the MoU on behalf of their respective organisations at the syndicate room of the university.

Vice-chancellor Mohammad Rafiqul Alam was present at the signing ceremony, said as press release.

On behalf of CUET, civil engineering department head Asiful Haque, and professor Sudip Kumar Pal, and Berger Paints chief officer of Chittagong factory Md Kawsar Hasan and production head Md Masudul Hasan also signed as witnesses.

Faculty of Engineering and Technology dean Sunil Dhar, Faculty of Architecture and Planning dean Mohammad Kamrul Hasan and the teachers of civil engineering department were present.

Under the agreement, CUET and Berger Paints will jointly evaluate paint waste and dumping systems, develop cost-effective eco-friendly alternatives for paint waste, evaluate the effectiveness of various recycling options and verify technical feasibility, provide lab and technical facility support, apply for patents for new product development, and will work together to increase awareness through organising various events, publications etc.
