

## CUET, ASCE hold webinar on timber

**Staff Correspondent**

THE Chittagong University of Engineering and Technology students' chapter of the American Society of Civil Engineers organised a webinar on 'Timber as a Structural Material' at 7:30pm on Saturday.

The chief guest at the webinar was University of Science and Technology, Chattogram, vice-chancellor Md Jahangir Alam, also a former VC of CUET, while the special guests were CUET civil engineering department head Sudip Kumar Pal and Bidhan Barua, a senior architect of Chittagong.

The keynote speaker at the event was Hafizul Alim, a former CUET student and owner of Alim Engineers, LLC, of the USA, said a press release.

The session chair was Ayesha Akhtar, faculty adviser of the CUET Student Chapter of ASCE, who delivered the vote of thanks.

Mirajul Islam, vice-president of CUET Student Chapter of ASCE, gave the welcome address at the beginning of the programme.
