### **Barisal Medical College polls postponed**

Our Correspondent

BARISAL, Apr. 12:—The elections of the Barisal Sher-e-Bangla Medical College Students Union was postponed by the college authorities for an indefinite period on Tuesday.

Tuesday was the last date for submission of nomination papers for the elections scheduled to be held on April 24. But candidates could not file their nomination papers excepting candidates backed by Chhatra League as the Jatiyatabadi Chhatra Dal locked offices of the administrative building.

Chhatra Dal called a strike on the campus on Tuesday to press home its 10-point demand. Candidates of Chhatra League, student front of Awami League, submitted their nomination papers to the Principal.

Following the postponement of the elections, Chhatra League brought out a procession on the campus demanding holding of elections on the scheduled date.
