The action was taken against them as the probe committee formed by the hall administration found the allegations against them true, said the notification.

The other expelled students are Halima Akhtar Urmi of fine arts, Israt Jahan Mim of law, and Tabassum Islam and Mabia Jahan of finance and banking.

On February 14, Phulpori, a first-year non-residential student, alleged that BCL activists Sanjida Chowdhury and Tabassum Islam, tortured her on the night of February 12 for staying at the hall without their "permission".
