A Dhaka court today granted permanent bail to Amatullah Bushra in the case filed over the death of Buet student Fardin Noor Parash.

Bushra, who was in jail for two months following Fardin's death in November last year, was cleared of murder charges through a report submitted by the Detective Branch (DB) of police on February 6.

Bushra was present at the Metropolitan Magistrate's Court today to submit a petition for permanent bail in the case.

At the same court, Fardin's father Kazi Nooruddin Rana filed a petition seeking time to file a no-confidence petition against the DB report clearing Bushra of murder charges.

Kazi Nooruddin, the complainant in the Fardin murder case, in the petition said he rejected the probe report and he would file a no-confidence petition against it on the next scheduled date.

He has also filed another petition for the certified copies of all documents of the case.

After the hearing, the magistrate allowed both the petitions.

On January 8, Bushra was granted bail by a Dhaka court until the submission of the probe report in the case.

Detective Branch Inspector Yasin Shikder, also the investigation officer of the case, on February 6 submitted the final report to the Chief Metropolitan Magistrate's Court of Dhaka.

In the report, the IO said Fardin died by suicide in November last year and that he was not killed.

"I scrutinised video footage, the inquest, post mortem and viscera reports, and other circumstantial evidence collected from the place of occurrence and other places and found that Fardin committed suicide. So, Bushra and others named in the case were not involved in the death," Yasin said in the probe report.

However, Fardin's father insisted that his son could never die by suicide.

She landed in jail on November 16 after her bail petition was rejected following the completion of her five-day remand.

Fardin, a third-year student of civil engineering, was found dead in the Shitalakkhya in Narayanganj on November 7, three days after he went missing.
