UNICEF to buy medicines from Govt

UNICEF will buy medicines from the government-owned Essential Drug Company Limited (EDCL), worth more than Taka 25 crore in the current fiscal year, reports BSS.

Health and Family Welfare Minister Salahuddin Yusuf was informed this while he was visiting EDCL on Wednesday evening.

He was also informed that the EDCL will produce medicines worth more than Taka 50 crore in the year.

The EDCL is a regular supplier of the country's big hospitals including thana and union level health centres.

WHO, Germany and Bhutan have already imported huge quantity of medicines from EDCL.
