The Jatiya Mukti Council called on the interim government headed by Professor Muhammad Yunus to make a complete list of those students and people killed in violence during the movement of the Student Movement Against Discrimination platform.

The central working committee of the party on Thursday at a meeting at its Topkhana Road office in Dhaka expressed concern over delay in making the list of the victim students and people in the student-led mass uprising.

The leaders also called on the interim government to take steps for implementing spirits of the student movement and holding trial of deposed prime minister Sheikh Hasina bringing her back from India.

They also called for arresting her corrupt ministers and aides immediately.

Chaired by secretary of the party Faiezul Hakim, central leaders Hasibur Rahman, Muinuddin Ahmed, Mitu Sarker, Sourav Roy and others attended the meeting.
