Night school in Zinzira opens

By A Staff Correspondent

Dr. A. Q. M. Badruddoza Chowdhury, Minister for Health, Family Planning and Population Control inaugurated a night school under the auspices of Bangladesh Sakharata Samity under its Zinzira Namapara branch on Sunday last.

The Minister in his speech as chief guest said that if the society could utilise the 4,000 primary schools of the country as night literacy centres, using each school to cover one and a half villages, the total 64,000 villages of the country could be covered in phases for implementation of its literacy programme. He assured the samity all possible help to run its different programmes including that of population control.

Mr. Anthony E. Drexler, Regional Director, F.P.I.A. and Mr. Nurul Islam Khan, Deputy Director of the Directorate of Social Welfare attended the function as special guests.

Presided over by Advocate Mohammad Alimuddin Ahmed it was addressed among others by Professor A.S. Baze Rabbi and Mr. Osman Ghani, President and Secretary General of the Samity respectively.
