The Directorate General of Medical Education (DGME) issued a circular in this regard on its website yesterday.

The written admission test will be based on HSC syllabus. The test will consist of 100 questions, with each question carrying one mark, totaling 100 marks. The subject-wise mark distribution will be as follows: 30 marks for Biology, 25 for Chemistry, 20 for Physics, 15 for English, and 10 marks for General Knowledge (Bangladesh and International Affairs).

The test duration will be one hour. For each correct answer, one mark will be awarded. If a question has multiple answers marked, it will be considered incorrect. Additionally, 0.25 marks will be

deducted for each incorrect answer, according to the circular.
