THE Shahjalal University of Science and Technology authorities on Wednesday extended time for submission of the online application for admission to the first-year undergraduate courses under 2024-25 academic year until January 31.

Started on January 5, the application process for admission was supposed to end on January 25, an officer of the university administration said.

The SUST admission Committee's member secretary, professor Md Rafiqul Islam, confirmed the decision to New Age.

He said in the afternoon that the time to submit the online applications and pay the fees was extended until 11:59pm on January 31.

'The other conditions for filing applications will remain unchanged,' he added.
