### Prof. M.H. Khan made new BUET V-C

By Our BUET Correspondent

Prof. Dr. Musharraf Hussain Khan has been appointed the new Vice-Chancellor of Bangladesh University of Engineering and Technology (BUET) replacing the present Vice-Chancellor Prof. Abdul Matin Patwary who ends his four years term today (Thursday). Prof. Patwary will join as the Director of ICTVTR, B soon.

Prof. M.H. Khan graduated from erstwhile Ahsanullah Engineering College in Mechanical Engineering in 1955. He obtained M.Sc. Engineering and Ph. D. degrees with highest grade in 1958 and 1964 respectively.

Prof. Khan joined as lecturer the Mechanical Engineering Department of erstwhile Ahsanullah Engineering College in 1956 and became a full professor in 1968.

Prof. M.H. Khan has served the university in various capacities from the last 32 years.

His fields of specialisation are fluid mechanics, Heat transfer and thermodynamics.
