President's grant for BUET injured student

DHAKA, July 4 (BSS): President Hussain Muhammad Ershad today gave a grant of Taka 1,50,000 for the treatment of Towhidul Huq, a second year student of Bangladesh University of Engineering and Technology.

Towhidul Huq, who won the Chancellor's award for his outstanding student career, was injured in a road accident when his motor cycle was hit from behind by a truck severely injuring both of his legs.

President Ershad moved by an appeal made to him by the students of the Engineering University granted the amount from his welfare fund for the treatment of Towhid who is presently undergoing treatment at Bumrungrad Medical Centre in the Thai capital of Bangkok.

Towhid was admitted into the Pangu Hospital here on May 11 this year, the day he was struck down by the truck on his way to the university, with multiple injuries in both of his legs. Since his condition was not improving, Towhid was removed to Bangkok for treatment.

The father of Towhid, Mr. Azizul Huq, is an officer in Bangladesh Chemical Industries Corporation.
