The 137th board meeting of Southeast University Trust was held on Monday at the newly decorated board of trustees office on the university's permanent campus in Tejgaon, Dhaka.

The meeting was presided over by Rezaul Karim, chairman of the SEU Trust, and attended by distinguished members of the board of trustees along with the university management, said a press release.

Prior to the meeting, the chairman officially inaugurated the new BoT office, marking a significant addition to SEU's permanent campus infrastructure. During the meeting, the board deliberated on a range of important academic, administrative, and strategic matters focused on advancing SEU's mission of excellence.

Strategic directives were issued to bolster academic quality, strengthen research capabilities, and improve operational efficiency.
