## BUET student expelled from hall

DHAKA, May 3, (BSS): Kartick Chandra Nath, a third year student of Civil Engineering Department of Bangladesh University of Engineering and Technology (BUET), was expelled today from Ahsanullah Hall (North) for forcefully taking away some stationery goods from a shop, adjacent to the hall.

According to the BUET authorities, Kartick Chandra disobeyed the orders of the Provost and Director of Students welfare who earlier asked him to return the goods to the shopowner.

However, Kartick Chandra told BSS that he had seized the goods from the shop owner suspecting those to be counterfeit. He wanted to produce the goods to the concerned authorities.

Prasanta Kumar Halder, Vice-President and Barun Krishna Shaha, General Secretary of Ahsanullah Hall (North) Students Union, protested the expulsion of Kartick Chandra Nath.
