Students seeking re-evaluation of their [Higher Secondary Certificate \(HSC\) results](#) can apply between October 17 and 23.

After the [HSC exams results published today](#), Professor Dr Khondoker Ehsanul Kabir, chairman of the Dhaka Education Board and president of the Inter-Education Board Coordination Committee, said applications for re-evaluation must be submitted following the prescribed procedure during this window.

Details of the re-evaluation process will be published on the respective education boards' websites and through official notices in newspapers.

Officials said that, as in previous years, applications must be submitted via Teletalk mobile phones using designated codes. A fixed fee will be charged for each subject or paper. The results of the re-evaluation will be announced after the application process concludes.
