At a briefing on Tuesday on the university campus, conference secretary and CUET architecture department head Professor Sajal Chowdhury announced that leading academics and researchers from countries including Australia, the United States and the Netherlands will join the conference.

Conference co-chair and CUET architecture department Associate Professors Kanu Kumar Das and Sajeeb Pal, assistant professors Nusrat Jannat and Saida Tahmina Tasnim were also present.

The two-day event will feature 16 technical sessions, two keynote speeches, a poster exhibition, an international PhD research seminar and five parallel workshops on environmental architecture. More than 80 papers and over 40 posters will be presented.

The inaugural session will be held on December 4 at CUET central auditorium with vice-chancellor Professor Mahmud Abdul Matin Bhuiyan as chief guest.
