Plight of teachers in a Govt college

The teaching staff (women lecturers) of Damar Government College are not being paid their salaries since June 1987. They were also not given the Eid-ul-Azha bonus. But as per rule, the employees even if put under suspension must be paid half month's salary as the Eid bonus. Holding it up is wrong. As the teaching staff are not being paid their salaries since June 1987, they are obviously facing great hardship. Under the above circumstances, the attention of the concerned authorities, the Bangladesh Government College Teachers' Association Bangladesh Mahila Parishad and Manabdhikar Bastabayan Sangstha, is drawn to this matter and they are requested to save the poor teachers from poverty and starvation.

THE AFFECTED AND POVERTY STRICKEN TEACHERS
