Strike by Satkhira school teachers disclaimed

The news item headlined "BTF President Assaulted" published on the second page of "The Bangladesh Times" on 13th March is baseless.

The actual news is as follows:

That a meeting of Tala Upazila Teachers' Association was held on March 10, at Tala B.De. Institution. The meeting presided over by Mr. Sk. Abdul Wadud was addressed among others by Mr. Sk. Amanullah as chief guest with a strong verdict against so-called teachers' strike.

After the meeting, almost all secondary school teachers

of Tala Upazila brought out a peaceful procession in support of the verdict boldly protesting against and condemning the strike in other belts of the country.

No untoward incident happened neither after nor before the meeting. Even the question does not at all arise.

Mr. Amanullah was cordially received by the teachers of the district. Besides no teacher of no secondary school of Satkhira district participated in the so-called strike. They are performing their duties and responsibilities in their schools and conducting the SSC examination as before.
