

Vice-Chancellor of Jahangirnagar University, died on January 4. His cremation will be observed today (Friday, February 12). A tribute by Principal M.N. Karim

In memory an educationist

This is a pen-picture of an educationist who was simple, unostentatious and unassuming, and 'simple truth' was whose utmost skill in life. He appeared to me as a person who as Vice-Chancellor carried his job most successfully without playing the part of a 'time server to any controlling authority. He is late Dr. F.M. Kamaluddin who has

graphical in the Jahangirnagar University.

In 1984 the hawk of fortune sat on his wrist and he became the V.C. of the J. U. He was never ambitious for such a post as far as I know nor did he anticipate it at such an early age of 46, particularly, because the post carries with it so much worries and anxieties for the incumbent in these days that peace-loving man like him with his natural bent on study and research could not easily entertain such an idea. He was the third man in the panel of V.C. and this was the achievement of his friends and admirers who attached importance to his character and attainment. It was a mere accident that the Chancellor chose him up for the post, probably for consideration of his being a non-party man.

Dr. Kamal was basically a religious-minded scholar, coming from a family of strong religious background. Since
