BUET employees call off work abstention

By Our DU Correspondent

Officers and employees of Bangladesh University of Engineering and Technology Wednesday called off their work abstention on the assurance from Prime Minister Begum Khaleda Zia and the Ministry of Home Affairs. BUET Teachers Association, however, decided to continue their abstention programme.

The officers and employees at a meeting took the decision on assurance of improved security system for BUET by the government.

BUET Teachers Association at a separate meeting alleged that no effective measures were taken by the law enforcing agencies to arrest the persons responsible for violent incident on BUET campus on October 19.

Presided over by Prof Jashimuzzaman, President of the association, the meeting demanded publication of Inquiry Committee reports within four weeks, payment of full compensation of the victims within a week and immediate arrest and trial of the persons responsible for violent incidents at —BUET.
