39 Madrasha teachers not getting salary

BOGRA, Oct. 31:—The teachers of Joybhoga Dakhil Madrasah, Aguniartair Dakhil Madrasah and Sonakania Girls' Dakhil Madrasah under Gabtali Upazila in Bogra district are not getting salary from their respective madrasahs for last 34 months due to shortage of funds, it is learnt.

The 39 low-paid teachers with their family members are facing untold miseries due to non-availability of their salary in these days of economic crisis.

It is gathered that the Govt. benefits for those affiliated madrasahs were stopped by the concerned authority since July, 1988.

It is gathered that the subsidiary financial flow that would come from donation and subscriptions of the local people has been stopped due to recurring devastating floods for last two years in the area.

The authority concerned has been requested to take appropriate steps to make the fund available for those educational institutions to protect them from closure for the greater interest of education which is the key to the development of a country.
