

DATA protests govt decision on varsities

By Our DU Correspondent
The Dhaka University Teachers Association at an emergency general meeting on Wednesday protested the government decision to stop the appointment and promotion of teachers, officers and employees in different universities of the country.

Presided over by the DATA President Prof. Moshihuzzaman, the meeting demanded that the government immediately withdrew the decision and ensure autonomy to the universities.

The meeting decided to resolve the situation by compelling the government to withdraw the decision through necessary programmes by the Federation of the University Teachers Association.
