### DU teachers abstain from duty

Staff Reporter

Classes of the Dhaka University were not held yesterday as the teachers abstained from duty.

The teachers refrained from taking classes and carrying out their administrative duties following a call by the DU Teachers Association (DUTA) demanding withdrawal of a decision to appoint Prof Abdul Mannan Chowdhury as the chairman of the Management Department terming it as illegal.

The DUTA at its August 7 emergency general meeting warned the DU authorities they would abstain from duty if their demand was not accepted by August 8 afternoon.

At its August 9 meeting the DUTA reiterated the demand and called upon the authorities to accept the demand by August 14 afternoon.
